What's happening with Accreditation?

What is the Teaching Performance Assessment?

Help! What do I need to know?

The Commission on Teacher Credentialing invites you and a team from your program or institution to a Technical Assistance meeting to hear the answers to these and other important questions about changes to accreditation and statewide implementation of the Teaching Performance Assessment requirement. The meetings will be on a single day, with the Accreditation update from 10-12 noon, and the Teaching Performance Assessment update from 1-3 p.m. You are encouraged to attend either or both update sessions as best fits your information needs.
